Plan Your Party!

please carefully read the following schedule and contract before signing

1. Parties begin in one of our birthday party rooms, this is where you will be greeted by your party host. We ask that party parents should arrive **NO EARLIER THAN 10-15 minutes** prior to the party start time. **You'll be in the party room for 60 minutes**; all food, cake, and gifts are done during this time. We ask that all items be removed from the party room once this time is up, your party host is more than happy to help bring any and all items to your car once the children are settled in their first attraction!
2. After you leave the party room, your host will lead you and your guests to the attraction of your choice. You will not be returning to the party room. The party will end in the arcade, this is where you will finalize your bill and the staff will help kids with any prize redemption from points they earned on games.

Spin The Wheel!
